## Program Philosophy and Method

Los Puentecitos/Little Bridges offers a bilingual (English/Spanish) preschool program for children 2 years 5 months (and potty trained) to 5 years, from a variety of cultural and linguistic backgrounds. We offer a balanced daily schedule of active play, learning, rest, and snack times, incorporating English and Spanish into every aspect of their school day. We integrate a careful balance of visual, kinesthetic and auditory learning, with self-paced experiential learning.

Our curriculum is presented in English and Spanish to prepare your child for a dual language program (such as the Hollister Dual Language Academy at Gabilan Hills School) if you choose to follow that direction.

"Thank you to all of you at this school for making it such a wonderful program. We hit the jackpot with this school. I appreciate how wonderful you all are and how someone always jumps into action whenever my son is having a hard time during drop off and helps him feel better.

- Stephanie Calderon
